Dear Mr. Eldridge,

Letters like your mean much to us and we do appreciate your taking the time to send us your encouragement.

I am undertain whether you want the addition to the first edition of WHITEWASH, which I am enclosing at no charge, in case you do not have it, or a copy of the second book.

In the event it is the latter, I am enclosing an order form for your convenience.

Again I want to thank you for the kind things you said. This has not been a pleasant activity, not has it been profitable. Thus far the great benefit we have gotten from it is the expressions of approval and encouragement of kind people such as we. We do thank you for it.

Sincerely,

Harold Weisberg
